Please read the following carefully and sign if in agreement.

I am aware that the first aim of minor sports is the personal and character development of each individual in my charge. Each participant will be given equal opportunity and consideration in all contests and situations. The actions of any and all coaches and team personnel will demonstrate a good example of character and values. I will become familiar with the rules of the CRHL and agree that any behaviour on my part contrary to the rules and endeavours of the CRHL would forfeit my coaching, training and/or managing privileges. I am also aware that the CRHL has a **ZERO TOLERANCE** for use of alcohol and/or drugs during any team event including, but not limited to, games and practices. And if I breach this, I am aware that my position with the team will be relinquished immediately.
